7 GOOD REASONS TO CHOOSE VALEO DUAL MASS REPLACEMENT KIT:

- 1) **Reliability:** DMR kits designed by Valeo R&D engineers are an extremely reliable solution corresponding to the highest OE quality standards.
- 2) **Successful:** Since 2003 Valeo DMR kits have been giving full satisfaction to aftermarket customers throughout Europe and the world.
- 3) **The rigid flywheel** contained in Valeo DMR kits has no wearing parts, providing better thermal resistance and full engine & gear box protection.
- 4) **100% torque transfer** Valeo DMR kits ensure the optimal efficiency for torque transfer.
- 5) **Valeo DMR Kits are competitive** against high cost replacement of Dual Mass Flywheel and associated kit.
- 6) **Comfortable:** Valeo DMR kits ensures high filtration of vibrations and noises to enhance driving pleasure.
- 7) **Easy to fit** Valeo ensures that all the parts required for assembly are included in the box.
